## PAETEC PARK

PAETEC Park, Rochester's 17,500-seat, multi-purpose outdoor stadium, is nearing completion of the Phase 1 construction and is scheduled to open in the fall of 2005 on the west side of the City of Rochester where the Rochester Raging Rhinos professional soccer team and the Rochester Rattlers professional lacrosse team will begin play for the 2006 season.

PAETEC Park's Phase 1 construction cost is estimated at \$24.5 million, which includes seating for 12,500 permanent seats, and additional seating located in the open end zone grassy berm, the mezzanine level on the Broad Street side and additional temporary bleacher seating for a total of 4,500 fans. The stadium will feature press facilities, team store, a fan accommodation area, guest services, a picnic area, surface parking and multiple restrooms and concession areas for food and beverages.

Phase 1 of the stadium will include a \$15 million grant from the State of New York (which was committed in 2000) and a multimillion dollar private investment from the Rhinos in the form of commercial financing, a food concessionaire financial commitment, cash contribution from the Rhinos team, and development and land acquisition costs.

"PAETEC Park will be a magnificent addition not only to the soccer community, but the city of Rochester and its surrounding areas," said Rhinos President Frank DuRoss. "It will provide a major league atmosphere for Rhinos soccer and Rattlers lacrosse games. It will also create an intimate setting for other events such as concerts, drum and bugle competitions and high school and college sports."

While the construction phase of the stadium approaches, the behind-the-scenes opportunities continue to grow. The naming rights of the stadium have been agreed upon with local telecommunications company – PAETEC Communications Corp.

The Rhinos have also been seeking potential users for the stadium on a local and national level. In addition to the Rhinos, PAETEC Park will also be the home of the Rochester Rattlers of Major League Lacrosse and host events such as Buffalo Bills controlled scrimmages, men's and women's high school and collegiate soccer, lacrosse and field hockey, women's professional soccer and high school and collegiate football. Drum and bugle competitions, community events, concerts, youth sporting events and outdoor shows will also be scheduled into the stadium.

The stadium is designed by HOK Sports Facility Group in Kansas City, Missouri. HOK has worked with 29 of the 32 National Football League franchises and 22 of the 28 Major League Baseball teams. Clients of HOK include numerous professional and collegiate soccer, basketball, hockey and rugby teams. HOK has recently designed soccer stadiums in Australia and New Zealand.

## **WELCOME TO FRONTIER FIELD HOME OF THE ROCHESTER RAGING RHINOS**

On July 12, 1996, the Rochester Raging Rhinos played the first-ever sporting contest at Frontier Field. The Rhinos defeated the Montreal Impact 3-2 in a thrilling come-from-behind victory before 14,717 fans. The win helped catapult the Rhinos to a successful season, one in which they made the finals of both the U.S. Open Cup Tournament and the A-League playoffs. That same season, the Rhinos set an A-League record for single-game attendance when 14,809 witnessed the Rhinos-Montreal playoff match on September 21, 1996.

The success has continued as the Rhinos have led the A-League in attendance for six consecutive seasons averaging over 11,000 fans per game in each of the last four seasons. In addition, Rochester has captured the A-League crown during the 1998, 2000 and 2001 seasons, while earning U.S. Open Cup hardware in 1999.

There is more, however, to Frontier Field than the games that are played there or the amount of people that it can hold. There are many little-known facts about the friendly confines of Frontier Field. Did you know there are:

- \* 850 million blades of grass on the field
- \* 175,000 bricks in the stadium
- \* 25,000 bricks in the Walk of Fame
- \* Over 400 trees and shrubs at the stadium
- \* Over 40,000,000 lbs. of concrete in the stadium
- \* Over 10,000 cubic yards of concrete in the stadium
- \* 750 tons of steel in the stadium
- \* 43,250 square feet in the seating bowl
- \* 153 brick arches around the stadium
- \* More than a mile of railings throughout the stadium
- \* 70 sprinkler heads on the field (62 rotary heads, 8 mist heads)
- \* 100,000 linear feet of reinforcement for masonry at the super-structure

## Frank DuRoss President

DuRoss, 54, began his climb in the corporate community 1976 when he entered a partnership with his brother Jim and was named vice president of Onida Building Services, Inc. - a company the DuRoss brothers would sell in 1986 to International Service systems, Inc.

In 1980 Frank again teamed up with his brother to create Onida Asbestos Removal, Inc. This highly successful property had \$24 million in annual sales, and at the time, was one of the 350 fastest growing privately held companies in the country.

In 1987, DuRoss ventured into the sports industry when he was named President of the Utica Devil's of the American Hockey League (AHL). Four years later he co-purchased the Maine Hockey Club and moved them to Providence where it became one of the league's strongest franchises, winning the Calder Cup Championship in 1999. On April 10, 2001 Frank purchased 100% of the Providence Bruins from his former partner Ed Anderson. He serves on the Executive Committee of both the American Hockey League and the United Soccer League.

Frank B. DuRoss has owned the Rochester Rhinos Soccer Team, a Division II Club since the team's inception in 1995. A native of Utica, New York, DuRoss has been the catalyst in the Rhinos drive for PAETEC Park, a new multi-purpose outdoor stadium in Rochester, New York.

Frank's tireless efforts, including working with local and state political leaders, has secured funds for the new project, a 17,500 seat soccer specific stadium, has begun construction in the fall of 2004 and will be open late in the 2005 season. The State of New York has committed \$15 million for the project.

DuRoss a co-founder in Major League Lacrosse operates the Rochester Rattlers Lacrosse Team, a member of the six-team league.

DuRoss was part of an investment group that managed the restaurants, concessions and novelty operations of the ESL Sports Centre, a four-arena, multi-purpose complex on the campus of Monroe Community College in Rochester, New York. Co-founder of the National Lacrosse League (NLL), DuRoss at one time owned the Boston Blazers.

Presently DuRoss owns Sylvan Strands Realty Corporation and DuRoss Realty Corporation, commercial real estate property development companies, he formerly owned various media properties including radio station (WOWZ FM-97.9) in Utica and the rights to a television station in Des Moines, Iowa and Greenville, SC.

Frank and his wife Liz have two children, a daughter Noelle and son-in-law Tom Arcuri, a son Frank Jr., and daughter-in-law Anne and three grandchildren, Taylor, Alyssa Bella and Olivia.

Rochester Raging Rhinos

## **Steve Donner** **Chief Executive Officer**

Steve Donner has had a long and highly successful career in the professional sports field. In 1995, Donner partnered with Frank DuRoss and Chris Economides to form the Rochester Raging Rhinos and helped guide the team into the A-League for the 1996 season.

Donner's leadership and marketing savvy have helped earn the Rhinos national recognition both on and off the field, and his foresight and vision have made Rochester's proposed multi-purpose outdoor stadium close to a reality.

Donner also is a principle owner of the Rochester Americans of the American Hockey League. He has helped the team achieve success on the ice and at the gate since acquiring the franchise in 1995. In his first year as President and CEO, the Amerks won the AHL's Calder Cup Championship, earning Donner the league's James C. Hendy Award as its top executive. The Rochester native also owns the National Lacrosse League's Rochester Knighthawks, who have appeared in the NLL's championship game four of the last six seasons, winning the North American Cup in 1997. If that isn't enough, Donner and his soccer partners Chris Economides and Frank DuRoss are also owner/operators of the Rochester Rattlers of Major League Lacrosse.

Donner spent twelve seasons in the National Hockey League with the Buffalo Sabres and the Tampa Bay Lightning, heading both franchises marketing and sales departments. Donner's creation of Tampa Bay's "Fan Land", an interactive amusement facility adjacent to the arena, is heralded as one of the most creative and acclaimed sports marketing tools ever.

A graduate of the University of Dayton, Donner has been instrumental in introducing six expansion franchises – the Dayton Gems (International Hockey League), Buffalo Bandits (MILL/NLL), Tampa Bay Lightning (NHL) and the Rochester Knighthawks (MILL/NLL), Rochester Raging Rhinos (A-League) and the Rochester Rattlers (MLL).

Steve and his wife Lynne have one son Steven MacKenzie. They reside in Rochester with his two daughters, Megan and Stephanie and Lynne's children Teegan and Harrison.

## **Chris Economides**

### **Chief Operating Officer**

### **Vice President/General Manager**

Chris Economides has been instrumental in forming the Raging Rhinos team that has sprung to national prominence on the soccer scene. In his role as Chief Operating Officer and Vice President/General Manager, Economides is responsible for the soccer business of the club. From off-season player scouting & signing of

players to representing the team in league matters, he keeps busy year round helping to assemble one of professional soccer's premier organizations.

Economides, along with partners Steve Donner and Frank DuRoss, formed the Rhinos in the fall of 1995. His expertise in soccer matters has made the Rhinos one of North America's premier soccer franchises. During his tenure with the Rhinos, the club has won the A-League Championship in 1998, 2000 and 2001 and the Lamar Hunt U.S. Open Cup title in 1999. The team has a 139-67-15 regular season record in A-League competition, a 24-9-6 A-League playoff mark and an 13-7 U.S. Open Cup mark.

In addition to his soccer duties, Chris also stays busy during the summer by assuming the same role for the Rochester Rattlers of Major League Lacrosse. Prior to his role with the Rhinos, Economides previously co-owned the Kansas City Attack of the NPSL from 1991-1993. The Attack captured the NPSL championship in 1992-93, finishing a successful season by defeating the Cleveland Crunch 3-2 in the finals in front of 12,000 fans at Kansas City's Kemper Arena.

A native of Rochester, Economides graduated from Monroe Community College and LaSalle High School. He has also owned a variety of restaurants in the area. He has two sons, Steven and Alex, and is very active in youth soccer, hockey and baseball.

As a player, Calloway compiled over 18 years and over 500 games of professional experience as defender. He spent the early part of his playing career in England with

clubs including Rochdale (1964-68), Blackburn Rovers (1968-70), Southport (1970-71) and York City (1971-73). After a solid career as defender in England, Calloway tested the waters of North America and came over to play with the San Jose Earthquakes of the NASL (1974-1979). In his first season, he was named an NASL All-Star on defense. Calloway retired in 1980.

After his playing days were over, Calloway turned to coaching. Calloway spent time with the California Surf (1981) and the Seattle Sounders (1983) in the NASL. Calloway also coached in Salt Lake City and San Francisco (1991-95) in the APSL.

Calloway has the distinction of being named the first head coach in the history of the San Jose Clash (now Earthquakes) of Major League Soccer in 1995. His Clash team hosted the MLS Inaugural Game and defeated D.C. United 1-0 in front of 11,683 fans at Spartan Stadium in April, 1996. Calloway led the Clash to a 20-27-0 record in his two-season tenure with the club.

In 2001-02, Calloway returned to the professional ranks with the Des Moines Menace, a fourth-division team in the U.S. Premier Development League. In his first season, he led the team to a 15-4-3 mark, only the third undefeated season in U.S. amateur history. During the 2002 season, the Menace nearly knocked Rochester out of the U.S. Open Cup. The Rhinos narrowly escaped with a 3-2 overtime win at Frontier Field. The Menace won the Heartland Division during the 2002 PDL season. Calloway led the Menace to a 26-12-8 record in two seasons.

Calloway spent the past two years with the Syracuse Sally Dogs. Last season, Calloway led his squad to the Eastern Conference finals against the eventual A-League Champion Montreal Impact. Calloway compiled a 26-20-10 record over two seasons in Syracuse.

Calloway and his wife, Marie, have been married for nine years. They live in Jamesville near Syracuse with daughter Taylor.

Figure 1 shows a sequence of nine images (a-i) illustrating the degradation of a handwritten digit '3' as noise is added. The images are arranged in a 3x3 grid. The top row (a, b, c) shows the digit at 0, 10, and 20 dB noise levels. The middle row (d, e, f) shows the digit at 30, 40, and 50 dB noise levels. The bottom row (g, h, i) shows the digit at 60, 70, and 80 dB noise levels. As the noise level increases, the digit becomes increasingly obscured by random noise.
